

In 1972, Bill Mason, Sr. hired Glenn Lewis, a young man who was working on a two year automotive/diesel program at Pickens Technical School in Jasper, Ga. Having grown up on a farm, Glenn exhibited a tremendous work ethic and a working knowledge of farm machinery and the mechanics within it. He worked two years part time as he worked on the completion of the school program. After graduation Glenn became full time and is now in his 35th year with Mason Tractor Co. and is probably one of the most well rounded technicians in the industry. He has a vast knowledge of not only agricultural equipment but construction equipment as well. As Mason Tractor has diversified in new product lines, Glenn has honed his skills in understanding the new complicated products and is one of the best in troubleshooting mechanical problems. Mason Tractor Company is blessed to have worked with such a talented individual for such a long period of time.

Glenn has always put GOD and his family first in life, but judging by his commitment level, Mason Tractor Co. and it's customers seem to follow closely behind. He is an active member of the New River Baptist Church where he has also served as a deacon since 1995. Glenn and his wife Joan have been married for 35 years, and they have two daughters, Greta and Kimberly. Greta and her husband Kevin have two children; Hunter is eight and Chandler is five. Kimberly, the younger of the two girls and her husband Justin have one child Miriam who is eight. Glenn and Joan are very proud of their children and grandchildren. Along with Glenn's interests in family, church and work, he also enjoys videography and restoring old photographs. Glenn Lewis is a special person to the Mason family and to Mason Tractor Co. Working with all three generations of Masons, he has become like a member of the family. He has been an asset to Mason Tractor through 35 years of growth and change.

On behalf of Mason Tractor Co. and the Mason family, we would like to thank him for all the years of service, loyalty and above all, friendship.

Sincerely, Bill
and Tammie Mason
